

Moving companies provide a variety of services for a range of fees. It's a good idea to talk with different movers to compare their services and their rates. Use this handy chart to make side-by-side comparisons easy.

What's In Your Moving Bill?

Most move quotes are based on 3 basic components:

- 1. Transportation** - the moving cost based on weight or amount of goods to be moved and the distance traveled.
- 2. Packing & Preparation** - additional fees for mover packing, appliance disconnect, crating, etc.
- 3. Valuation** - the additional replacement cost
